Introduction

The **Symphony Learning Trust** was formed on the 1st September 2016 from Glen Hills Primary School, The Meadow Community Primary School, Ashby Willesley Primary School, Newcroft Primary Academy, Fairfield Primary School, Thornton Primary School. As part of a coherent vision to act together in a deep partnership, the trust was formed with a Board of Members, Trustees (including the CEO) and Local Governing Bodies. All of the schools are convertor academies and none are sponsored but **we have approval to become a sponsor**. The Trust is open to other schools joining as determined and agreed by the Trustees.

The Academies are led by Head teachers, Executive Head teachers and Heads of School thus:

- **Glen Hills**¹ – Head of School*
- **Fairfield** – Head of School*

* These schools share an **Executive Head teacher**

- **Newcroft**¹ – Head of School⁺
- **Thornton** – Head of School⁺

+ These schools share an **Executive Head teacher**

- **The Meadow**¹ – Head teacher
- **Ashby Willesley**¹ – Head teacher

¹ A 'Lead School' in the Multi-Academy Trust

In developing this strategic business plan the Executive Heads and Head teachers were aware of the potential reduction in teacher supply over the next five years. Its determination to improve the educational outcomes of all the children and young people, it is directly responsible for, will only be achieved through the recruitment and retention of a high quality and committed workforce. To this end the Trust is aspiring to become the *employer of first choice* within the area. We intend to develop, implement and embed a recruitment and retention strategy based on a positive ethos within all our academies, delivering workload reform, outstanding professional development and enhanced career opportunities for staff. This plan is deliberately focussed on a few objectives that we believe will have a significant impact on the quality of teaching and learning, removing barriers to achievement and enhancing educational outcomes. As Ofsted implements its updated inspection programme and external accountability is replaced by greater internal responsibility, the Trust will develop, implement and embed a Quality Assurance Programme with external validation/peer review to ensure its processes and outcomes are of a consistently high quality. The Trust fulfills most aspects of a Teaching Schools Alliance, without the official recognition and it is active in supporting the delivery of leadership programmes and providing places for initial teacher education trainees.

Object

The Company's 'object' is specifically restricted to the following:

- a) *To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum ("the Academy").*
- b) *To promote for the benefit of the inhabitants of Glen Parva and the surrounding area (which we take to be wider than solely Glen Parva) the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, affinity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and the object of improving the condition of life of the said inhabitants.*

Vision

The Symphony Learning Trust is a Multi-Academy Trust that places outstanding learning and teaching at the heart of all its activities. All Lead Schools and Partner Schools are committed to continuing to raise standards and to inspire young minds. In an ever-changing world, SLT are committed to provide balanced, inspirational and exciting learning experiences for our pupils, with our values of aspiration, effort, tolerance and integrity underpinning this drive. The Symphony Learning Trust Lead Schools have a proven track record of devising and leading national initiatives and highly effective School to School support. We are proud of the impact we have upon outcomes for children across schools.

We believe that strong collaboration with shared accountability can lead to better progress and attainment for pupils, and help all of the MAT schools meet rising expectations and to improve:

- Outcomes for children
- Opportunities for economies of scale
- The robust nature of our accountability towards and for one another
- All partner schools' capacity to dictate their own direction

This helps us to continue to build upon the work of symphony in which;

- Our school leaders and teachers share thinking and planning to spread expertise and tackle challenges together
- Our Governors come together to share strategic thinking, to combine skills and to support each other during challenging times
- shared professional development can more easily be arranged, whether led by staff from one of the partner schools or an outside body

A Multi-Academy Trust in which four lead schools share the accountability for outcomes benefits from the fact that:

- Our school leaders, teachers and other staff could be shared across more than one school, enabling us to find different solutions to recruitment challenges, to retain staff by providing new opportunities within the group and to plan succession more effectively;
- Our groups of schools would find it easier to find and fund specialist expertise (specialist teachers and specialists in areas such as data analysis, finance, health and safety, HR) and provide richer curricular and extra-curricular activities;
- No one Lead School would be left vulnerable in a crisis but the significant expertise of each can be utilised on an equal footing;

The Symphony Learning Trust seeks to be the place of first choice for children to learn and staff to work. In each Academy, there is an extensive challenging curriculum and through best practice in teaching and learning, informed by research and the experiences of our staff, we will enhance children's life chances by maximising their educational outcomes.

The Trust will be a powerful developer of people delivering coherent teaching & learning, leadership and technical knowledge and skills enhancement programmes alongside focused and impact orientated staff development projects, opportunities and experiences. Robust and rigorous quality assurance processes will help leaders across the Trust further develop and enhance their leadership skills and increase their influence and impact.

We are committed to supporting the evolution of a school-led system through connecting, working with and supporting schools and educational organisations, locally, regionally and nationally. This is underpinned by our work with the Symphony Primary Schools Partnership on the Symphony Assessment System.

Teaching, Learning and Assessment Strategy

The Symphony Learning Trust is seeking to further improve the quality of teaching and learning through developing a data and feedback informed approach to teaching and learning across its academies. All schools in the Multi-Academy Trust will use the **Symphony Assessment System** to ensure consistency for analysis of pupils' performance. In order to continuously improve outcomes and opportunities for pupils in the MAT, all schools agree to:

- Share expertise to facilitate joint working
- Raise attainment and progress
- Improve teaching and learning
- Develop and Improve Leadership, Management and Governance at all levels
- Share expertise and knowledge
- Deliver a wide range collaborative events to inspire pupils' learning
- Moderate shared data

Schools in the Symphony Learning Trust each have a distinctive ethos according to the communities they serve. Planning schemes of learning is a complex task which benefits from the additionality and diversity that each Academy team brings. Each Academy's collaborative planning will be informed by experience, research and data, from the outcomes of pupil assessment and lesson study projects. We use subject leader network groups to help redefine and capture curriculum excellence and share it as widely as possible. Getting this right will mean that best practice becomes available to all staff in all Academies in the Trust so that all children may benefit from it. We plan learning not lessons, starting with the key concept or main idea to be taught, determining challenging milestones and end point success criteria against the steps of learning in the Symphony Assessment System and 'Development Matters' in the Early Years (which exemplify the expected levels of development in the learning sequence from Pre-Year 1 to beyond Year 6). After this, the learning intentions and flow can be determined; although, in reality, the whole process tends to be more iterative in nature.

Teachers will receive feedback on the quality of teaching and learning in their classes through formative and summative lesson observations, the outcome of pre-planned assessments and the use of lesson study, learning walks and book scrutiny. A range of professional development will be provided to assist teachers in their desire and efforts to improve. Teachers and Pupils will understand the next steps in their learning through high quality marking and feedback (both written and oral), formative, summative and diagnostic assessments. Time will be given, as appropriate, to reteach elements of the scheme of learning or for pupils to improve their work to a higher standard. Support for vulnerable groups, disadvantaged groups and for pupils with Special Educational needs will be planned and supported through the additional funding received for such purposes.

- Establish policies and procedures to ensure compliance with the Trust's financial and reporting requirements
- Approve the annual accounts
- Maintain the Corporate Risk Register
- Agree the investment policy in line with the Academies Financial Handbook and any internal policies and controls

4. Human Resources and Operations *(named SLT Trustee – Bill Gilmour)*

- Appoint CEOs and Exec Heads
- Approve, in consultation with the CEO/Exec Heads/LGBs, the appointment of the Head teacher / Head of Schools at each Academy
- Establish Trust wide HR Policies in accordance with all appropriate regulations (see final page of these Terms of Reference)
- Set the Performance Management Policy together with pay reviews (in line with the Trust's pay policy and all statutory regulations)
- Set the Terms and Conditions of Employment and Staff Code of Conduct
- Review Discipline and Grievance policies
- Set trust wide procurement policies (for suppliers including auditors, HR and payroll providers and solicitors) in accordance with the Funding Agreement, Academies Financial Handbook and the Trust's procurement policy
- Determine and allocate central services provided to the Academies by the Trust
- Oversee the effectiveness of services provided centrally by the Trust
- Acquire and dispose of Trust land
- Oversee any changed use of Assets
- Approve insurance arrangements for the Trust
- Oversee public relations activities to project the activities of the Trust and the Academies to the wider community
- Review the Trust Prospectus and website

5. Trustee Commitment

For the board of Trustees to carry out their role effectively, Trustees must be:

- a. Prepared and equipped to take their responsibilities seriously;
 - b. Acknowledged as the accountable body by the Academies;
 - c. Supported by the Academies in that task; and
 - d. Willing and able to monitor and review their own performance;
 - e. Willing and able to enter into appropriate training whether arranged individually or through the Board;
- No Trustee can act on her/his own without proper authority from the Board of Trustees;
 - All Trustees carry equal responsibility for decisions made, and
 - Although appointed through different routes (from a range of different Academies based upon skills), the overriding concern of all Trustees has to be the welfare of the Trust as a whole.

Quality Assurance Framework – Policies

The Board of Trustees has delegated responsibility to review and ratify many of the school policies (some of which are statutory) to the Local Governing Bodies (including, Accessibility, Behaviour, Curriculum, Equality Plan, Instrument of Government, Restraint, SEND, Sex and Relationships Education and Health & Safety).

The Board of Trustees will review and ratify the following policies:

Identified Risks

IDENTIFIED RISK	RISK CONTROL
1. Reduced school budgets' impact on the Trust's and its academies' capacity to offer a high quality education.	Develop three year rolling budgets to enable early identification of possible issues Share resources across the Trust and use the bulk buying power of the Trust to reduce costs
2. Failure to recruit or retain sufficient high quality school leaders, teachers or support staff impacts of the Trust's and its academies' ability to achieve high standards and levels of achievement.	Early recruitment to secure best available staff Work with Glen Hills School Direct and Newcroft School Direct to secure high quality graduates in difficult to recruit subject areas Annual workload survey and response to ensure the Trust and its academies are desirable places to work Build and promote a positive culture within the Trust and its academies to ensure high levels of retention of current staff
3. Impact of low standards or levels of achievement on parental confidence, reputation, pupil numbers or Ofsted grading.	Make the quality of teaching and learning the primary focus of the Trust, its leadership teams and staff Develop and implement a quality assurance programme across the Trust to identify and correct issues at an early stage Invest in the training and development of staff to ensure high quality teaching and learning
4. Lack of succession planning for positions of Chair or Vice Chair of the Trustees, CEO or Executive Heads or Heads teachers of the Academies.	Ensure different Trustees are Chairs and Vice Chairs of the Trust's Committees Monitor and promote Trustees' attendance at training events Create bespoke Leadership Development pathways for senior staff with a view to headship and Executive Headship
5. Impact of adverse publicity resulting from inappropriate pupil, staff or trustee activity on parental confidence, reputation, pupil numbers or Ofsted grading.	Ensure suitable policies relating to Pupil Behaviour, Safeguarding and E-Safety are up to date and known Make the quality of teaching and learning the primary focus of the Trust, its leadership teams and staff Develop and implement a quality assurance programme across the Trust to identify and correct issues at an early stage

Capital Strategy 2016-2019

1.0 Introduction

The Symphony Learning Trust currently incorporates six academies located on six sites. The purpose of this Capital Strategy is to summarise the performance of the estate and the issues which are driving change, and lays out proposed development plans. A robust Capital Strategy (as an overall picture of the plans for each Academy)) is intended to be used as a practical tool for funding and guiding decisions on key estates issues and external bids. The strategy will be continuously updated and validated with all parties sufficiently engaged with the strategic development proposals. The strategy will be further developed to include a more operational plan (at individual Academy level) to support its effective implementation.

2.0 SLT Capital Strategy

2.1 Curriculum

Newcroft Primary Academy and Thornton Primary School (sharing an Executive Head and Business Director) offer primary provision for children aged 4-11 (Newcroft to include Year 6 from September 2017). Newcroft also offers Nursery provision, from 3 – 4 years. There is a strong focus on literacy and communication, mathematics, science, music and PE as key life skills and an essential foundation for understanding the world. The Foundation subjects of History, Geography, Art, Design Technology and Religious Education are taught through cross-curricular topics within the Thematic Curriculum to make the subjects more relevant and understandable. These are planned in 'phase' teams to utilise the range of skills in the teams. Core skills are also developed in this way including Personal, Social and Health Education (PSHE), Physical Education, the application of Computing, problem-solving, reasoning and enquiry and creative thinking. Additionally, Modern Foreign Languages (French at Key Stage 2) and Swimming are incorporated where appropriate or taught discretely.

Glen Hills Primary School offers primary provision for children aged 4 to 11. Mastery of the basic skills of literacy and maths, within an enriched and exciting curriculum, are at the forefront of the approach at Glen Hills. As the pupils move through Glen Hills, topic-based work gradually becomes discreet subject teaching with cross-curricular themes. The curriculum is designed to support pupils at every step, regardless of ability or specific needs, and offers an exciting approach to modern teaching and learning.

Fairfield Primary School offers primary provision for children aged 4 to 11. Fairfield have ensured their curriculum places literacy and numeracy at the forefront although as always, the school ensures that all subjects have their rightful place within the curriculum. Fairfield

ensures that the curriculum balanced, exciting and enriched and fully equips the pupils with knowledge, skills, tolerance and understanding of the 21st century world.

The Fairfield curriculum is based over a two-year topic approach with a two-year cycle for years 1 and 2, years 3 and 4 and years 5 and 6. Maths and Literacy follow the new National Curriculum.

In respect of particular literacy-based schemes, in the Foundation Stage and Key Stage One, 'Letters and Sounds' is used for the daily phonics sessions

Ashby Willesley Primary School offers primary provision for children aged 4 to 11. Although it strives and achieves for excellent attainment results in national tests, it also believes that primary education should be broad and balanced. With this in mind Ashby Willesley prides itself in successes across the curriculum and with particular regard to sport and music. Our curriculum is largely topic based and children leave the school with a great understanding of the world around them. Although Willesley doesn't currently have preschool provision, it works closely with settings in the locality to aid transition into its EYFS classes.

The Meadow Community Primary School and Pre- School offers primary provision for children aged 4 to 11 .We believe that every child should make the best possible progress they can, particularly in basic skills of writing, reading and mathematics. We offer an exciting themed approached curriculum for all children, which is enhanced with opportunities such as Forest School Provision, use of computing, music and the arts, as well as host of extra curricular activities.

2.2 Pupil Population

Newcroft Primary Academy is a rapidly growing academy with numbers increasing from 208 (2014) to 262 (2016) and projected to rise to 320 in September 2017. A leadership and staffing structure is underway to meet the additional need for 2017. The catchment area is 'mixed' with the school at the 40th percentile for deprivation. The school will be capping its admission number to 60 from September 2018.

Thornton Primary School has endured a turbulent two years with a complete change in the leadership team and substantial problems in teaching and learning and leadership and management being addressed to bring about rapid improvement. As a result, pupil numbers a have reduced from 240 to 226 but have remained stable from the beginning of 2016-17.

Glen Hills Primary School is a large, over-subscribed school of 515 pupils. Numbers have been consistent for the past four years.

Fairfield Primary School is a school with 212 pupils on role which is slightly over capacity. Numbers have risen over the past two years.

The Meadow Community Primary School is a very popular, oversubscribed school of 420 primary aged children and a 24 place pre-school, which has over 60 children on roll.

Ashby Willesley Primary School is an oversubscribed 2 form entry school. From September '18 it will be capping its numbers to 60 per year. The school has expanded quickly over the past two years, having extra building work to provide for nearly 100 extra pupils. It currently has 420 pupils on roll.

2.3 Key Objectives

- 2.3.1 To meet current legislation, encompassing health and safety requirements, including the management and mitigation of risk and environmental issues;
- 2.3.2 To optimise use of the teaching and learning facilities;
- 2.3.3 To secure financial funding to support required refurbishments;
- 2.3.4 To ensure equal access across the premises;
- 2.3.5 To ensure adequate maintenance is undertaken through a planned maintenance programme;
- 2.3.6 To consider financial and environmental sustainability, in particular to reduce carbon emissions.

3.0 Estate Information

3.1 Newcroft Primary Academy

Newcroft Primary Academy is located on Trueway Drive, in Shepshed in North Leicestershire, in a building which will not accommodate more than 300 children. As a result (bearing in mind the projected rise to well beyond 300) a CIF bid is being drawn up to help facilitate a new building (of up to 6 classrooms) with the aim of opening in September 2018.

The academy building comprises 10 classrooms (2 in a mobile and an additional space for Pre-School) plus specialist facilities for cookery together with a library, dining hall, a number of small withdrawal spaces 4 offices, a staffroom and a meeting room.

The site is maintained by a Premises Officer and is overseen by a full time Business Director (shared with Thornton Primary School).

Newcroft has an annual budget of around £892,000, of which roughly £20,000 is allocated to buildings and grounds development. In addition, around £5,000 is received from the EFA annually, specifically for capital expenditure. This will be used to update IT infrastructure across the site and it is not sufficient to put towards buildings and grounds improvements.

3.2 Thornton Primary School

Thornton is located on Main Street, Thornton, North West Leicestershire in a building with 2 class spaces which are inadequate for more than 25 pupils. There are two classes in mobiles which are fit for purpose and one further classroom in the main building which can accommodate up to 30 children. The space and class numbers necessitate mixed aged classes in some cases. A recent successful CIF bid is ensuring that all windows and doors are being replaced during the academic year 2016-17.

The academy building comprises 5 classrooms (2 in mobiles) plus a library and a dining hall, 3 office spaces and a staffroom.

The site is maintained by a part time Premises Officer and is overseen by a full time Business Director (shared with Newcroft Primary Academy).

Thornton has an annual budget of around £561,000, of which roughly £20,000 is allocated to buildings and grounds development. In addition, around £4,000 is received from the EFA annually, specifically for capital expenditure. As with Newcroft, this will be used to update IT infrastructure across the site and it is not sufficient to put towards buildings and grounds improvements.

3.3 Glen Hills Primary School

Glen Hills Primary School is located in Featherby Drive, Glen Parva, south of the City of Leicester boundary. It is housed in one large building with a small individual modular classroom block. The buildings comprise of 22 classroom and teaching areas, one IT teaching room, two food technology areas, one hall and a number of withdrawal areas and offices.

The Glen Hills annual budget is approximately £1,880,000 which is consistently and carefully matched for the learning needs of current and future cohorts.

The site is managed by a Business Manager (Shared with Fairfield Community Primary School) and a Site Manager.

3.4 Fairfield Primary School (Wigston)

Fairfield Primary School is located in South Wigston, on the southern border with the City of Leicester. It is housed in one main building and two further blocks to provide an additional classroom as well as a Community wing. The buildings comprise of 7 classrooms, one hall, office space and a number of withdrawal teaching rooms.

The Fairfield annual budget is approximately £880,000 which is consistently and carefully matched for the learning needs of current and future cohorts.

The site is managed by a Business Manager (Shared with Glen Hills Primary School) and a Premises Officer.

3.5 The Meadow Community Primary School

The Meadow Community Primary School is located on the Meadows estate in Wigston. Our building includes a community wing (used by our pre-school during the school day) and has a large EYFS base as well as two classrooms in every year group in key stages 1 and 2. The extensive grounds include a nature area and a pond area.

The budget is approximately £1,500,000 and the site is managed by a School Business Manager and a Site Manager.

3.6 Ashby Willesley Primary School

Ashby Willesley Primary School is located in the small NW Leicestershire town of Ashby de la Zouch. The town is a rapidly growing place which poses huge pressure on the local infrastructure and especially the schools. The school is in 3 main buildings, Acorn, Oak and Treetops. In these buildings we have 14 classes, a large hall and drama studio. The school has recently benefitted from nearly £1,000,000 of updating and building work. The operational budget is currently around £1,300,000. The site is managed by the school business manager and the head teacher.

4.0 Condition

To inform the planned maintenance program, the following Royal Institution of Chartered Surveyors (RICS) building maintenance definitions apply:

A – as new

B – sound, operationally safe, exhibiting only minor deterioration

C – operational but major repair or replacement needed soon

D – inoperable or serious risk of failure or breakdown

Site	% Condition			
	A	B	C	D
Newcroft	80%	20%		
Thornton	20%	60%	20%	
Glen Hills	80%	20%		
Fairfield	50%	50%		
The Meadow	15%	80%	5%	
Willesley	40%	60%		

Through the planned maintenance programmes, the intention is to prioritise improvements to areas categorised as C or D and ensure that areas categorised as A or B are maintained to minimise deterioration.

5.0 Estate Strategy

As pupil numbers are predicted to be largely consistent over the next 5 years (other than at Newcroft), the key strategic objective in relation to the estate is to improve and maintain a high quality environment for teaching and learning. This will be achieved by:

Ensuring the facilities management service level agreements (and the work of Premises Officers and Site Managers) continue to offer a quality service and value for money through annual review and competitive quotation procedures where appropriate;

Ensuring the on-site Estate teams are appropriately trained and managed through a robust appraisal system and succession planning;

Ensuring opportunities for additional capital funding are accessed in a timely manner as they arise;

Ensuring a programme of preventative maintenance is planned and implemented

Financial Strategy 2016-2019

For 2016-17, funding required to run the MAT will be taken from the £75,000 Academy Chain Grant.

After 2016-17, an equal percentage of funding (through consistent Funding Formula between all schools based upon pupil numbers) will be taken from each school budget to maintain the functions of the multi-academy trust.

A 'top-slice' will be retained by the MAT based upon each school's current spending on central services* (see below).

The 'Top-Slice' will be calculated as follows:

- If the cost of the service is based upon pupil numbers, schools will be charged per pupil
- If the cost of the service is based upon staff numbers, schools will be charged per staff member
- If the cost of the service is per institution, the school will be charged for their institution
- In Year One, the surplus of the £75,000 will be used to provide a contingency to run the MAT. In subsequent years, schools' contributions will be based upon the previous years' operational costs and future priorities. This will be calculated transparently.
- If the £75,000 grant is not forthcoming, schools will be charged a per pupil fee to be confirmed to cover the shared services in Year 1.

The Business Managers will be responsible for clarifying costs associated with these services, to ensure that efficiencies are secured and provide the Trust with 'value for money'.

Each Academy's budget will be received from the EFA in the General Annual grant and they will use this to set a budget including:

- Any carry-forward at the point of joining
- Sport Premium
- Pupil Premium
- Devolved Capital (where delegated per school)
- Top-up funding for Special Needs (including Education, Health & Care Plans)
- Any balances
- School generated income (e.g. lettings, fundraising, grants)
