

Our aims...

At the Meadow, we aim for every child to be enquiring, motivated and happy learners, with a desire and confidence to learn, achieve and make decisions, and yet not to be afraid to fail.

At the Meadow, we aim for every child to enjoy school and achieve to their full potential. We also aim for the highest academic achievement and social progress for each individual child.

At the Meadow, we aim for every child to make a positive contribution to the school and wider community through developing mutual respect, kindness and consideration for others, in keeping with 'British Values'.

At the Meadow, we aim for every child to have a healthy lifestyle and for all children to understand the importance of choosing a healthy lifestyle.

At the Meadow, we aim for every child to be safe and feel safe from harm, neglect and bullying.

Symphony Learning
TRUST

A Welcome from the Executive Head

A warm welcome to the Meadow Community Primary School and Pre-School, which is a part of the multi-academy, Symphony Learning Trust.

We believe it is important to provide a happy, caring environment where EVERY child is encouraged to be confident and excited about meeting new challenges and to strive towards excellence in all they do. It is our belief that EVERY child should enjoy school life, find satisfaction in their achievements and realise their potential to the full.

We are very proud of our very successful school, which has been at the heart of the Wigston community, educating local children for over three decades.

Our pre-school takes children from two to four years of age, through local authority funded places and through parent paid places. Our primary school has 420 children from the ages of four to eleven.

Not only do we offer exciting learning opportunities through the school day, we have an extensive programme of clubs before and after the day school and at lunchtimes. We are proud of our many sports' achievements and display our many trophy and certificates in our school reception area.

At the Meadow, we feel it is very important that home and school work closely together. Through a strong partnership we can share our expectations, develop understanding and celebrate your child's successes.

Mr Brookes
Executive Headteacher

Our curriculum

We have a broad and balanced curriculum which is valued and varied. All curriculum areas are important and we believe should be celebrated. We are currently developing our curriculum so that we focus on the progression of knowledge, skills and vocabulary. We are also placing emphasis on our 'character curriculum' through our 'Route to Resilience' work. We want ALL children to leave our school being secondary ready as well as having the key life skills needed in our ever changing world.

"Promoting resilience and encouraging children to become the best possible version of themselves"
