Welcome from the Headteacher

As Head teacher of Newcroft Primary Academy, I am pleased to welcome you to our incredible school. We have a strong focus on high aspirations and resilience. We work hard and 'aspire for excellence in all we do.'

Our pupils enjoy the many inspirational opportunities on offer in our caring, family environment.

Our extremely committed team, in partnership with our parents and effective governing body, work in partnership to maximise the outcomes and experiences for our children.

Our pupils are exceptionally well - behaved, kind, helpful and supportive of each other; they enjoy opportunities to get involved with the day to day running of our school through our Job Centre. They are proud to be part of our school family. We have high expectations of our pupils and stakeholders and strive for our values to be lived out by all who work and learn at Newcroft:

Aspirational, Resilient, Creative, Inclusive and Proud.

Our creative curriculum allows us to bring 'learning to life.' Our topic-based approach is designed to allow us to teach the breadth of the National Curriculum, alongside enrichment experiences, building on our pupils' cultural capital. Our curriculum is designed to be challenging and aspirational, to ensure that pupils fulfill their potential and are enthused by learning at Newcroft. The success of our approach is evident in the high academic results we achieve each year and in our Outstanding Ofsted status.
