

A welcome from Mrs Acton...

Welcome to Thornton Primary School!

We are a small primary school in Leicestershire for pupils aged 4 to 11 years. We are a founding Academy of the Symphony Learning Trust and work in close partnership with other schools within the Trust.

As a small village primary school we know each pupil as an individual. Our ethos is based on support, challenge and encouragement in which we have high expectations of all our children. We encourage care and respect for other people, their faiths and traditions. We help children develop lively enquiring minds to make decisions which affect their future and to understand other people's points of view.

We have a professional, dedicated and caring whole staff team and we believe is that we can make most improvement by working together. If any parents would like to visit do not hesitate to make an appointment.

We look forward to welcoming you and your child to Thornton Primary School. Please feel free to contact the school directly with any queries you may have.

Warm regards,
Mrs Sarah Acton
Head Teacher

Headteacher - Mrs S Acton
Assistant Head - Mr J Simpson
Chair of Governors - Mrs A Hall

Welcome to Thornton Primary School!

Achieving success by working
together...

Our curriculum...

At Thornton, we provide an engaging, inspiring and challenging curriculum, which will:

- Develop pupils' skills to the very best of their ability in Mathematics and English as subjects in their own right and across other areas of the curriculum.
- Build up knowledge, skills and understanding; providing opportunities to question, explore and research, reason and solve problems, think critically, weigh up evidence and debate arguments.
- Provide opportunity to exercise creativity and imagination.
- Foster a curiosity, fascination and deeper understanding of the wider world and its people, in the past, present and in the future.
- Equip learners with the skills and knowledge necessary to become safe, active participants in a digital world.
- Provide opportunities to build character, develop resilience and embed values to enable pupils to reach their full potential academically, socially, physically and mentally in preparation for the responsibilities and experiences of later life.

Our aim is to develop confident and enthusiastic learners who are always respectful of each other and the staff. We want them to build a strong appreciation of their own positive attributes as well as those of the other children and, in doing so, to develop a 'can-do' attitude to learning, and the community in which they live, through consistent focus upon:

Excellence
Independence Enthusiasm Equality
Responsibility Empathy
Confidence Perseverance Care
Aspiration
Respect
Pride Tolerance
Teamwork Challenge Integrity
Enjoyment

Symphony Learning Trust is a highly successful Multi-Academy Trust with eleven primary schools. All schools have their own identity but work collaboratively to provide the highest possible quality of education.
